Description of essential services as per the Government Proclamation No. 9	Portable Water Services

TO WHOM IT MAY CONCERN

The Ministry of Industrialization and Trade hereby certifies that the business operating as stated above has the permission to operate during the Namibian state of emergency period as stipulated in Proclamation #9 by the President of the Republic of Namibia on the 28th of March 2020.

This certificate only authorizes the business to operate. Company employee authorization as per Proclamation #9, Section 10. Critical Services, (4), is the responsibility of the business.

Yours truly,

Executive Director

The company has declared that it is an essential service provider based on the regulation issued on 28 March 2020, therefore, this certificate by MIT is based on accuracy of information submitted. False declaration by the company is a criminal offence and will result in prosecution. This certificate may be revoked if there are changes to the regulation, or if required to better implement the state of emergency.
